

Hybrid Hand Therapy Review Course: Virtual Lectures With Live Presentations

Faculty Profiles

Hannah Gift, OTR/L, CHT, COMT, CEAS

Hannah is an occupational therapist and certified hand therapist at SSM Health Physical Therapy in St. Louis, Missouri. She completed the Philadelphia Hand Therapy Fellowship in 2012 and received her CHT and certification in orthopedic manual therapy of the upper extremity in 2017. She currently serves on the ASHT Board of Directors as the Education Division Director and participates in teaching for the Hands-on Orthotics course and the Hand Therapy Review Course. She was co-editor of the 4th edition of the *Test Prep for the CHT Exam: Study Outline and Clinical Reference*. She is also on faculty for Select Medical and is adjunct faculty at Saint Louis University.

Cynthia Glaenzer, PT, CHT

Cindy received her BS in PT from Washington University in St. Louis in 1981. She has been a CHT since 1993. She is currently and has been an instructor in the Program of Physical Therapy at Washington University in St. Louis for 35 years and at St. Louis University for 12 years. Her teaching responsibilities include evaluation, treatment and splinting of the upper extremity. In 1993, she established and is currently the supervisor of the Hand Therapy Clinic for BJC/Memorial Hospital in Belleville, IL. Prior to that, she worked 10 years at Washington University/Barnes Hospital in the Orthopedic Center for Upper Extremity Rehab.

Cindy is a Clinical Instructor for Physical Therapy students. She has been an active member of the ASHT for 26 years, volunteers on the Education Division for the ASHT and has been teaching the Hand Therapy Review Course for 5 years.

Cindy enjoys traveling, hiking, scuba diving, singing and teaching dance. She is the proud mom of Bryan, MD, Katelyn future DMD and two dogs.
